

Hello Everyone,

Planning for the 45th annual Durham Hamfest has started in earnest and we are at the point where we are ready to start processing registrations.

You are receiving this letter as you have attended one of our Hamfests in the last few years and we are looking forward to having you join us for this fun event again this year.

We are always striving to make our event better, for both our vendors and attendees, and this year is no different. Please visit our website at www.durhamhamfest.com to fill out the online registration form and to find info on where to send an etransfer to pay for your table. If you are not able to do etransfer we can arrange payment by cheque or cash but last year almost everyone used the etransfer route. As well, if you have any advertising that you would like listed for this event please send Laird VE3LKS an email (VE3LKS@yahoo.ca) with a pdf version of your advertisement. We will then post it on a page where people can see what you are offering and you may even get some pre-event sales and/or pre-orders out of it. Just something that we want to try this year to help you be even more successful.

If you would like to donate an item(s) for our door prizes please let Laird VE3LKS know what you will be donating and you will be highlighted on the "Sponsors" page of the Hamfest website and that will remain in place until next year's Hamfest as a thank you for helping support our event.

The Durham Hamfest takes place **Saturday April 20th, 2024** at the Chestnut Hill Developments Recreation Complex (1867 Valley Farm Road South, Pickering, ON, L1V 6K7) from **09:00** until **12:00**. **Vendors get access** to the venue at about **07:30** to start setting up. Our vendor team will be onsite by **06:00** to provide guidance and keep everything orderly.

All of our tables are assigned on a first come first served basis, so if you know you will be attending and wish me to reserve your tables (especially wall tables) send me an email and you can forward your payment in a reasonable time frame.

If you have any questions or special requests please don't hesitate to contact me at my email.

I hope to see everyone on Saturday April 20, 2024!
